General Henry I. Hodges/
Commander-In-Chief, USAFPCUR
A. P. O. 403
New York, New York

Dear General Hodges:

Now that I have returned to Washington from an excellent trip through Europe, I wanted to let you know how much I enjoyed the brief visit I had with you in Heidelberg.

I very much appreciated the chance to come and talk with you at your office, and the luncheon that followed was superb. The opportunity which was afforded me to get together with [redacted] staff after luncheon was, I think, most beneficial and I am dropping him a note of thanks for his thoughtfulness in arranging this.

Mr. [redacted] joins me in many thanks for your fine hospitality and every best wish.

Sincerely,

SIGNED
